

## xCAT Project Maintainer Agreement

An xCAT Maintainer is one who has GIT commit authority to the xCAT project and participates in determining the directions of the project. Please print this form, fill it out and sign it, scan it in, and email it to [xcat-legal@lists.sourceforge.net](mailto:xcat-legal@lists.sourceforge.net).

As a maintainer of the xCAT Project, I certify that I will:

1. Follow the xCAT Project maintainer guidelines and requirements as found at [https://sourceforge.net/p/xcat/wiki/XCAT\\_Developer\\_Guide/#maintainers](https://sourceforge.net/p/xcat/wiki/XCAT_Developer_Guide/#maintainers). I recognize that these may be amended from time to time;
2. Understand with the terms of the Eclipse Public License, located at <http://www.eclipse.org/legal/epl-v10.html>;
3. Have permission from my employer to participate as a Maintainer of the xCAT Project;
4. Send this signed and completed agreement to the xCAT Project. All notices required by this agreement should be sent to [xcat-legal@lists.sourceforge.net](mailto:xcat-legal@lists.sourceforge.net);
5. Inform the xCAT Project of any changes in my Contact Information including name, email, and address, and the name and address of my employer;
6. Understand that the xCAT Project will have complete control and discretion over which capabilities are assigned to a maintainer account, and may terminate or temporarily disable my Maintainer access for any reason at any time;
7. Maintain confidentiality of my passwords issued by the xCAT Project and not allow any other individual or entity to use my password;
8. Ensure that all contributions follow the xCAT Project contribution process such that all contributions are licensed under the Eclipse Public License and that all contributors have remitted a completed xCAT Project contribution agreement;
9. Maintain a record of all xCAT Project contribution agreements completed by contributors that I have added to the xCAT Project and remit such record to the xCAT Project on a regular basis or whenever requested by other maintainers of the xCAT Project;
10. Submit a log entry of each contribution that I commit to the xCAT GIT repository on behalf of a contributor (other than myself), according to the xCAT Project maintainer guidelines and requirements;
11. Not include any contributions that I believe may be subject to third party intellectual property claims contrary to the xCAT Contribution process; and
12. I understand and agree that the xCAT Project is public and that a record of maintainers and contributions (including all personal information submitted, including my sign-off) is maintained indefinitely and may be redistributed consistent with the xCAT Project or the open source license(s) involved.
